

Part 5 Annexes and References

Introduction

In this part, partners find references to useful information and internet links to search for further and more specific information, according to their needs. The information mentioned here, is also accessible at the Hivos Virtual Office at www.hivos.org.

Terminology

Hivos uses the DAC Glossary of Key Terms in Evaluation and Results Based Management as a basis for the terminology in its policies and communication around result orientation and result assessment. The Glossary is available in English, Spanish, French and Portuguese.

It can be accessed as a PDF-document at: <http://www.oecd.org/dataoecd/29/21/2754804.pdf>

Guidelines, methods, tools, ...

When one searches the internet for methods, indicators or toolkits in the field of M&E or Result assessment, one can easily get lost in the enormous amount of information available.

For example, with Google:

Monitoring and evaluation > toolkit: 14.900 hits

Monitoring and evaluation > guidelines: 207.000 hits

Hivos has identified some useful sites to start your search, which are listed below.

Part of them is only available in English, Hivos will continue identifying sites in other languages too!
